Chelmsford City Walking Football Club (CCWFC) has been created for playing walking football which is a competitive sport involving potential risks to health by its nature. Whilst every effort is made to ensure that we play in a friendly and gentlemanly way, primarily in accordance with Essex Walking Football League rules, members take part in this activity at their own risk. The Club, representative teams and individual members cannot be held responsible for any injury or liability.

CCWFC welcomes players of all standards and accommodates a wide range of ages and skills/abilities. It's not even a requirement to have played football before. Players do not need to be physically fit. Walking Football is aimed at the Over 50s (and competitions are generally for Over 50s, Over 60s and Over 65s).

CCWFC prides itself on being a friendly club and recognises that for some it's not just about football but also about meeting new people and making new friends.

The Club expects every member to display the highest degree of respect, courtesy and sportsmanship. Player health, safety and welfare should be of paramount importance to everyone and it is important that every participant recognises that walking football is a non-contact sport. The Club retains the right to discontinue membership of any player who behaves in an ungentlemanly or dangerous manner, or who fails to uphold the high standards of conduct expected of its members.

The Club will not intentionally share with a third party any of the personal data you have provided above except where such data is needed to fulfil competition requirements.

Please sign below to confirm that you have read, understood and accept the requirements of membership and the disclaimer and that you wish to apply for membership of the Club on this basis. Please also note that by signing this application you are also giving permission to CCWFC and any other walking football organisation to use any still and/or moving image, being video footage, photographs and/or frames, and/or audio footage of you. Images may be used for any of the following: advertising, marketing, leaflets, social media or for any other use such as training, educational or publicity purposes.
