OCTOBER 2017

!!CANCELLED!! - ANNUAL SOCIAL EVENING. FRIDAY 6th OCTOBER 7.00pm

As you are probably aware by now the committee has reluctantly taken the decision to cancel the planned Social Evening. Unfortunately this was down to the lack of numbers being able to attend despite the date being publicised several months in advance. We still believe it is important for us all at Chelmsford City Walking FC to continue to have a social side of the club together with the on-pitch activities but we are very much in need of everyone's support. Please let me have your thoughts on anything you would like us to consider in our future plans.

RECENT MATCHES

Tuesday, 5th September 2017 – Essex W F League 60plus

There were a total of three Chelmsford teams entered into this latest round of matches which also included some friendly games to make sure that we all had plenty of playing time. The Clarets lost a vital game to top of the table rivals Little Oakley by the odd goal in three and finished in joint second place overall. They were also beaten in a friendly by the Blues who finished the day with the same points total as the Whites.

KIT

It is essential that all kit is returned as instructed, either handed back immediately after a match or, if requested, washed and brought back to the next training session and placed in the correct kit bag. Please do not just leave your kit without advising Gary that it is being returned as above. This will ensure that all the kit is then available for the next event. If you have any questions about returning kit please contact Gary at one of the training sessions or any other committee member if he is not around.

OTHER NEWS

Walking football has finally made an appearance on Sky Sports! This one-off programme (surprisingly entitled “Walking Football”) was first shown on Tuesday 3rd October on their Sky Sports Football channel and I believe it is still available on demand. It featured the Walking Football Association and mainly concentrated on the all round health benefits of our fast growing sport and explained some of the basic rules for those new to the game. I'm pretty sure I still managed to spot a few players breaking in to a run!

TRAINING DATES & TIMES

Tuesday 10.00 to 12.00 outside on the 3G pitch at Melbourne Park (boots with moulded studs must be worn – no trainers of any type are allowed).

Thursday 11.00 – 13.00 inside at Chelmsford Sports Centre.

Always remember to check on the Chelmsford City Walking FC website for further up to date information as these times and dates can be changed due to tournaments etc.
